TANNING.

CREATEST DISCOVERY OF THE AGE. Just the Thing for the Times! Duing the chapped, specifical and most effective

By this process Heavy Sole Leather is tanned in 25 to 30 days. Opper Leather, Harness Leather, etc., in 15 to 20 days, Calf Skins, Light Kip, etc., in three to five days. Without back, making excellent Leather, which, for Strength, Softness and Durability ! By the use of this Cure all improper discharges are re- In equal to any made. Back can be used if convenien without interfering with the rapidity of tanning. No oil of vitriel, (Sulphuric sold,) muriatic sold, alum, sal, Samples of the Leathur sent to order, State, County and Shop Rights, for sale under a Palent

granted by the Confederate States. Best of city references given, Address, inclo-ing one dime, E. J. PARK, Mamphia, Tann.

Office-In Jackson Bluck. No letter answered unless it contain one dime. TESTIMONIALS.

HICKORY GROVE, Ky., January 7th, 1860. R. J. PARK, Esq.: I have given your new discovery a thorough, and, I am giad to say, a very successful trial. Sole Proprietors, 65 Jufferson street, near post office, on light stock, without and with back; also, on heavy sole teather with bark, and it has more than met my expeciations. The sols leather was completely famued in thirty five days, and the kip, which was heavy, in eight days and I desire to say, and embrace the opportunity to do a in justice to you, that the system is clearly founded on scientific principles; that the preparation of the hide for rapid turning really strengthess the fiber, and is most decidedly conducive to the production of excellent leather.

Yours, etc., PHILIP BOUGHNER. COLES' CORNERS, Tenn., January 14th, 1562. E. J. PARK, Eiq.: Permit me, sir, to tell you about my experience with your new system of tanning. I supposed yours was a hot process, using a hot occwhich I had fully tested, but which I found would not ! clusively, and I have tanned as good sole leather as ever I sold, in thirty days, by your process, with a great deat less labor and with nearly one half less bark.

After I got my hides haired and free of line, and put them in your first mixture, and then put the some on, I had accomplish more in one day in tanning than I could before in a month. I don't want any better system than yours; it will perform all and more than your claim. Only after the Africa. Joh Rooms.

The could be a more in one day in tanning than I could be a more in one of the will make it to the lighter of these in need of such make in to the lighter of these in need of such make in to the lighter of these in need of such make in to the lighter of these in need of such make in to the lighter of the such make in the Africa. Joh Rooms. Mesura T. P. HUGHES, JAMES PARKHILL and W. W. After I got my hides haired and free of line, and put

work hard to get out in five menths. I am planted with it, and believe it will mave bark enough and labor enough to pay for itself in six months. Yours, etc., J. V. BRYCE.
